

What You Need to Know About BargainBee Vouchers

Customers can redeem their voucher in one of two ways:

Printed

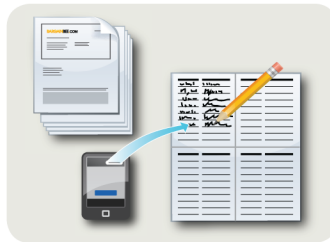

Mobile

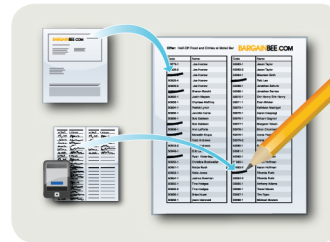

Use these with the printed list

Use this number if using our online, phone or mobile system. Also verify this number with the printed list.

Follow these simple steps to redeem:

1 Collect printed vouchers from customers. For mobile redemptions, write down the voucher number.

2 Cross your customer's voucher number off the Customer List. Deduct the BargainBee face value from the customer's bill and collect the difference.

3 Store the printed vouchers for future reference.

A tip for tipping

Sub-Total: \$51.50
BargainBee Discount: \$50.00
After Discount: \$1.50
Tip: _____
Total: _____

Display the pre-discounted amount on the customer's bill so they'll know to tip from the original amount.

The first few days after the BargainBee feature, things can get very busy. So if things get hot: stop, drop, roll and give your new customers an unforgettable experience that will keep them coming back as regulars again and again.
